We have had a very busy half term, what with celebrating World Book Day, Comic Relief and Science Week. We had great fun investigating how far tin cans would roll down a ramp and whether the contents of the can determined how far the can rolled.

Margo: I enjoyed rolling the tins down the ramps.

AMM: I love Maths and like doing the extra challenges.

Elsie: I came dressed up as Willy Wonka for World Book Day.

Maggie: I enjoyed making my collage of Queen Elizabeth.

Myles: I love sharing books in the book corner.

AS: It was funny being blindfolded and trying to draw a picture of myself.

Humaira: I have enjoyed measuring in Maths and learning how to use a ruler.

AJ: I love playing with the train track.

HPN: I dressed up as a Unicorn on World Book Day.

Oliver: I like playing in the sand with my friends.

We have also been very creative! We have used clay to add texture and create different shapes. The Reception children created owls and the Y1s a plaque inspired by Queen Elizabeth II. We also created Andy Warhol inspired collages to represent Queen Elizabeth II. The children have also been reflecting on the activities they have enjoyed most this year.

MJH: I like playing in the Doctor's surgery and using the bandages.
