

Dovedale Class News

The children have made a brilliant start in Dovedale Class and have already been very busy learning new things and honing their skills in all the different aspects of school life. They are all working so hard and I love how keen they are to learn and share their ideas with each other. Here are just a few of the exciting things that they have particularly enjoyed.

Mrs Cluley

I have really enjoyed Art because I like drawing 'The Boy, the Mole the Fox and the Horse' and when it is finished it looks good. I have enjoyed History too because we got to play the Maya ball game Pok-ta-Pok.

Casper

I have enjoyed Computing this term because I love to make PowerPoints and play games. I have enjoyed Art because I like drawing and colouring. I have also enjoyed History because I like learning about the past and PE because I love to be energetic and run when we play different sports.

Cameron

I am really enjoying our Geography topic at the moment. We are doing South America and we are learning about the states of Brazil and the different countries in South America. I also really enjoy Literacy because it is fun. 'The Explorer', the book we are reading, is really exciting- even though I have read it before! My favourite thing we have done so far is writing a report about an animal in the Amazon Rainforest. I chose a puma.

Delphie

I have enjoyed Literacy this term because I enjoy writing. I have also enjoyed Art because I like the Charlie Mackesy topic and Computing because we got to make a PowerPoint.

Vinnie

I have enjoyed PE this term because it's fun and we've been doing Netball which is quite hard but I still enjoy playing it.

Teddy

My favourite subject this term has been Computing because I love making PowerPoints and word posters. I also really enjoyed the Football tournament at Hope Valley College. I got to see my cousins there.

Jack

I have mainly enjoyed Art this term because I really like drawing and we are learning about 'The Boy, the Mole, the Fox and the Horse'. I also really like Maths because I love solving Maths problems with my friends. I also like to do Reading Challenges in my free time because you can draw, colour and write about your favourite books.

Hugh

I have loved so many things this term! I have enjoyed Computing this term because we get to learn how to use computers and make PowerPoints and Word documents. I have also really enjoyed Science because we get to do it with the other Year 5s and do lots of fun experiments. I have liked PE because we get to do fun games to help us learn different sports. I have also really enjoyed the Cross-Country competition. I have enjoyed Literacy because we are reading a good book and I like writing. I have liked Music because we get to make our own music to a particular theme and History because I like learning about ancient civilisations. Finally, I have enjoyed Reading Practice and doing fun Reading Challenges.

Vee

I have enjoyed History because I like learning about what happened centuries ago. I have also enjoyed PSHE because I love my family and like learning about different ones.

Sam

I have enjoyed PE because I liked doing Netball matches, History because I have liked doing research and PowerPoints about the Maya, Computing because I like engineering and technical things and Science because I like experiments.

James

I have enjoyed Art because I like Charlie Mackesy's book 'The Boy, the Mole, the Fox and the Horse'. I have also enjoyed History because I have liked learning about the Maya.

Seth

This term I have liked Music because we got to make our own song. I also liked Art because the way we were drawing was cool and fun and Science because we were learning about non-flowering and flowering plants because I like nature.

Ewan

I have loved Art doing about Charlie Mackesy, Maths having a challenge, Literacy reading 'The Explorer', Geography learning about South America and doing posters with my friends and History learning about the Maya.

Belle

I have enjoyed Art because I like creating things and discovering different ways of painting, drawing and creating. I have also enjoyed Literacy because I find the book 'The Explorer' very interesting and I like writing.

Hannah

This term, I have enjoyed Geography, History and Art. I have liked Geography because we have been learning about the countries in South America and making posters. It was also interesting learning about the Maya in History. I have enjoyed learning new tips about drawing scenes from 'The Boy, the Mole, the Fox and the Horse' by Charlie Mackesy

in Art.
Polly

I have mainly enjoyed Art this term when we have been doing the quotes by Charlie Mackesy and drawing Mole and his cake! I have also enjoyed RE because it is fun and we learn about different religions. I have enjoyed Reading Comprehension too and Reading Challenges as we can win prizes for our work!

Samiya

I have enjoyed Computing because we got to make a web page about giraffes, PE because I like being outside and winning matches, Art because I like drawing and making things, Maths because times tables and division are THE BEST, Science because I get to be with my other friends and Reading Challenges because I like trying to win lots of prizes!

Robyn

I have enjoyed PE and the Cross-Country competition because I love running about and sports, Computing because I like making PowerPoints, Art because I love to draw and Geography because I have enjoyed research South America.

Henry

This term, I have liked doing our History lessons about the Maya because when they get killed they do strange things. I have also enjoyed Geography when we have learned about interesting places in South America and Art because I like drawing.

Nell

I have enjoyed Art because I love learning about Charlie Mackesy, Literacy because it is fun to read 'The Explorer' and Computing because I like coding.

Poppy

I have liked Computing because I get to play fun games and work in partners and do cool PowerPoints. I have enjoyed Science too because you get to do fun activities. I also really enjoyed the Football tournament going against other schools.

Matty

I have enjoyed Geography because we got to make posters about South America and Computing because we could go on 'Hour of Code'.

Benji

I have loved Computing because it has PowerPoints, Word, Paint and lots of games. I have also enjoyed learning about the Maya because the runes are cool and I like how it is mysterious.

Edward

This term, I have enjoyed Literacy because I like writing about 'The Explorer', Computing because I like making PowerPoints and web pages, PE because I like being active and running, Art because I like creating pictures, Science because I like the experiments and seeing my other friends, History because I like learning about the past, Geography because I like learning about other countries and Reading Challenges because we have the chance to win prizes.

Esme

**Stay tuned for lots more
excitement to come in
Dovedale Class!**
