

Howden Class Newsletter

We have had an amazing year so far. The children have done so well and are really pushing themselves to achieve their best. I have been very impressed and proud of the effort they have made both in class and at home. Together we have enjoyed partaking in lots of fun activities such as NSPCC Number Day and learning new things. We thought it would be lovely to share the children's favourite things so far, this academic year. Mrs Dunning

Alice: I liked going to the class trip to the theatre to see Stickman.

Auden: My favourite day was the times table rock star day. I was really excited to get dressed up as rock stars; everyone looked really good and it was our first time on times table rock stars.

Corey: I enjoy handwriting, I like learning to do joined up writing.

Dorothy: I enjoy history we get to learn about the past. I am really enjoying learning about the Great Fire of London.

Ellen: I really like science, I like figuring out stuff.

Emma: I love helping Mrs Dunning and other children, I like been nominated for our bucket full of happiness.

Fynn: I love history because we got to learn about Guy Fawkes.

George: I like maths because it's really fun. I'm also good at doing joined up handwriting

Grace: I enjoy writing and reading. We get to learn how to write and new words.

Humaira: I like reading new books. I liked reading Jim and the Beanstalk and acting it out.

Josie: I love art because we get to make new things, doing collage and sewing hand puppets.

Laura: I like doing art, I liked making puppets and doing the collage.

Leo: I enjoy art because I like being creative and making new things. I am enjoying making my flower pot.

Maggie: I like going on trips, I liked going to see Stickman.

Mary: I like writing, any writing and sewing my puppet. I also liked going on the trip.

Nate: I like maths because I like times table rock stars.

Olivia: I love doing art and maths.
I like sewing my puppet and I like
reading in the cosy corner.

Oliver: I like maths, counting to
20 and playing maths Jenga.

Ollie: I like doing everything,
especially maths, art and golden
time.

Raphie: I love poem of the day
because they are fun and I like
writing my own poem.

Tommy: I like doing maths, I like
counting to 20, learning new
numbers and playing maths Jenga.

Toby: I like learning about
division because it's fun and a
challenge.

Wolfe: I like history because I like
learning about Mary Seacole and
Florence Nightingale and I like
poetry because it's fun
